[Announcer]

For her first number, Ms. Roxie Hart would like to sing a  
song of Loving  
Devotion. Dedicated to her dear husband, Amos.

[Roxie]

Sometime's I'm right  
Sometime's I'm wrong  
But he doesn't care  
He'll String along  
He loves me so  
That funny honey of mine  
Sometime's I'm down  
Sometime's I'm up  
But he follows 'round  
Like some droopy-eyed pup  
He loves me so  
That funny honey of mine

[Amos Hart]

Like I said, even though I shot him, he kept coming at  
me. So I had to pull  
the trigger again.

[Roxie Hart]

He ain't no sheik  
That's no great physique  
And Lord knows he ain't got the smarts  
Oh but look at that soul  
I tell you the whole  
Is a whole lot greater than  
The sum of his parts  
And if you knew him like me  
I know you'd agree  
What if the world  
Slandered my name?  
Why he'd be right there  
Taking the blame  
He loves me so  
And it all suits me fine  
That funny sunny honey

Hubby of mine

[Amos Hart]

And supposed if... just supposed if he violated her or something. You know what I mean, violated?

[Martin Harrison]

I know what you mean.

[Amos Hart]

Or something. Think how terrible it'd have been. It's good thing I got home from work on time. - I'm telling you that.

[Roxie Hart]

He loves me so  
That funny honey of mine

[Amos Hart]

- I say I'm telling you that.

[Martin Harrison]

The name of deceased is Fred Casely.

[Amos Hart]

Fred Casely? How could he be a burglar? My wife knows him. He sold us our furniture. He gave us 10% off.

[Roxie Hart]

Lord knows he ain't got the smarts

[Martin Harrison]

You told me he was the burglar? - You mean he was dead when you got home?

[Amos Hart]

I'm covering for her. She was telling me cock and bull story about this burglar. And I'd say I did it because I was sure to get off. 'Help me, Amos.'  
she said, 'It's my goddamn hour-need.'

[Roxie Hart]

Now he shot off his trap  
I can't stand that sap

[Amos Hart]

And i believed that cheap little tramp. She's too smart on me, huh? And i

protected her... I'm on the garage with my butt 14  
hours a day. And she's now  
promoted to a bon-bon? And traveling around like  
some goddamn pussy! She  
thought she can pull the world by that I wasn't pulled  
yet. I tell you that  
something that I can take. And this time she pushed me  
too far. I didn't shoot  
him. Fool, what a sap I was
