Here Thorin, lay your Arcenstone, upon your breast
and let it lay there until the mountain falls
and may it bring good fortune to all your folk that dwell
here after

never was it wielded by a mightier hand.

It was like a gloom, with a thousand facets
It shone like silver in the firelight
like water in the sun,
like snow under the stars,
like rain upon the moon

The adventure starts my friend off we go

[6. Sample]

Far away, Lonely Mountain its dark head in (a) torn
cloud
