Your dark hair falls in soft curls and frames your pretty face.

I've tried and I've failed to compare the blue in your eyes to so many things,
But no ocean or sky could shake up my mind the way your glance can.
I am your man, and you are my girl.
I'll linger just to taste those words.

Whatever you need, I pray,
You find it with your arms wrapped around me.

'Cause I promise,
I won't fall apart,
I won't fall apart,
I won't fall apart this time.

Now, my fingers unfasten your dress and my mouth finds the base of your neck while you laugh.
We tumble and touch, all wrapped up making love,
And I can't comprehend where your body ends and where mine begins anymore.
Whatever you need, I pray,
You find it at home here with me.

'Cause I promise,
I won't fall apart,
I won't fall apart,
I won't fall apart

This time, I swear to you Darlin',
It's orchids and snow angels,
I will not leave you alone; all alone.

'Cause I promise,
I won't fall apart,
I won't fall apart,
I promise you, I promise you,
I promise,
I won't fall apart,
I won't fall apart,

I won't fall apart this time.
