Stepping out of the shadows
I'm blinded by the light
there'll be no more wasted days
No more sleepless nights

Stepping out of your shadow
I finally see the light
No more mister nice guy
I'm ready for the fight
Weight off my shoulders
No more tears to cry
The chains are broken now
I see through your disguise

CHORUS 1

I'm so glad you're gone
So glad you said goodbye
I'm so glad you're gone
So glad you said goodbye
Do you really think I'd just lay down and die

No infatuation
I don't believe your lies
I can see clearly now
The truth behind your eyes
Weight off my shoulders
No more tears to cry
The chains are broken
I see through your disguise

CHORUS 2

I'm so glad you're gone
So glad you said goodbye
I'm so glad you're gone
So glad you said goodbye
No more angry words, no chance for you to lie
Did you really think I'd just lay down and die

Passion fades away
Love can turn to hate
And all the words I want to say

Are left in the hands of fate

CHORUS 2
