"How To Believe"

Hold my hand and fly,
Never say goodbye.
Cross the open sky,
Leave the world behind.
I will be alright.
If you stay by my side.

Bringing summer
Love and Laughter
We'll Live Happy
Ever After.
We'll fly higher than we thought we'd be
Because you showed me
How to believe.

Tiny Shining star,
I know who you are.
You're never very far.
We'll never be apart.
Sparkle in my eye,
Light up the sky tonight.

Bringing summer
Love and Laughter
We'll Live Happy
Ever After
We'll fly higher than we thought we'd be
Because you showed me
How to believe

... believe

Calling winter
Love and Laughter
We'll Live Happy
Ever After.
We'll fly higher than we thought we'd be
Because you showed me
How to believe.

Hold my hand and fly,

Never say Goodbye
