I think I'll take a drink again
I'll have to drink until the end
When I'm asleep you're in my head
All my potential drank to death
In moderation
12 step deprivation
Moderation
Seems we have no patience
In moderation
Resist all the temptation
We kill - In moderation
The war between us never ends
Where are my friends, they are suspects again
You've lost your appeal
But my habit is oh so real
We'll drink tonight so I don't feel
In moderation
12 step deprivation
Moderation
Seems we have no patience
In moderation
Resist all the temptation
We kill - In moderation
In moderation
12 step deprivation
Moderation
Seems we have no patience
In moderation
Resist all the temptation
We kill - In moderation
You've lost your appeal
But your habit is oh so real
We'll drink tonight so I don't feel
In moderation
12 step deprivation
Moderation
Seems we have no patience
In moderation
Resist all the temptation
We kill - In moderation
In moderation

12 step deprivation
Moderation
Seems we have no patience
In moderation
Resist all the temptation
We kill - In moderation
