These are the best days
Of the worst year of my life
The sky turns hazy, I'm wasted, crazy
Where's my angel, no one to save me
These are the best days
These are the best days
Of the worst year of my life
When I can lick, lick till I'm sick
Have sex with everyone
Feels so real
There's nothing like you
Cut me up take my insides
There's nothing like you
Feel, taste, your love
There's nothing like you
Walk away and never say good-bye
You're rings and roses
You're rings and roses
These are the best days
Of the worst year of my life
Bare skin, naked flesh
Drunken sex, I confess
I'll take what you give
If that's all I can get
There's nothing like you
Cut me up take my insides
There's nothing like you
Feel, taste, your love
There's nothing like you
Walk away and never say good%2dbye
You're rings and roses
You're rings and roses
When I'm in you
You're all I see
Peel back my skin
And there's a devil in me
If this is how it's supposed to be
I'm just a relic
Of forgotten generosity
These are the best days
Where are the good days

These are the best days
These are the good things
There's nothing like you
Cut me up take my insides
There's nothing like you
Feel, taste, your love
There's nothing like you
Walk away and never say good%2dbye
You're rings and roses
You're rings and roses
