Can you see me?  
Cause I'm right here  
Can you listen?  
Cause I've been trying to make you notice  
What it would mean to me  
To feel like somebody  
We've been on our way to nowhere  
Tryin so hard to get there

(Chorus)  
And I say  
Oh!  
We're gonna let it show!  
We're gonna just let go of everything  
Holding back our dreams  
And try  
To make it come alive  
C'mon let it shine so they can see  
We were meant to be  
Somebody (Somebody)  
Somebody, yeah (Somebody)  
Somehow  
Someday  
Someway  
Somebody

I'm so tired  
Of being invisible  
But I feel it, yeah  
Like a fire below the surface  
Trying to set me free  
Burnin inside of me  
Cause were standing on the edge now  
It's a long way down  
(Chorus)  
But I say  
Oh!  
We're gonna let it show!  
We're gonna just let go of everything  
Holding back our dreams  
And try

To make it come alive  
C'mon let it shine so they can see  
We were meant to be  
Somebody (Somebody)  
Somebody, yeah (Somebody)  
Somehow  
Someday  
Someway  
Somebody

We will walk out of this darkness  
Feel the spotlight glowing like a yellow sun  
Ohohohohoh (Ohohohohoh)  
And the we fought we fought together  
Till we get back up and we will rise as one  
Ohohohohoh

(Chorus)  
Oh!  
We're gonna let it show!  
We're gonna just let go of everything  
Holding back our dreams  
And try  
To make it come alive  
C'mon let it shine so they can see  
We were meant to be  
Somebody (Somebody)  
Somebody, yeah (Somebody)  
Somehow  
Someday  
Someway  
Somebody  
Somebody  
Ooo Oh
