"This Is My Paradise"

There's a street, there's my right, my left feet,
There's the road of nowhere that ends meet.
I've got the sun, I've got the sand,
I've got the rock 'n' roll band,
Here I stand!
I've told you that when the morning comes,
I'll be there my left hand, in your right one.

Ohhh!
This is my, this is my paradise,
I'm at home above all I got it by
Let the sun on my shoulder shine!
We can run beneath this clear piece of sky,
This is, is my paradise!

Lemonade, summer games we remember,
Colder days with a haze in December
Let's get some groove
Going through with being too cold to move,
Sunshine is overdue.
I'm breaking out in my summer dress, yeah!
I'm singing, I'm dancing, I'm obsessed, yeah!

This is my, this is my paradise paradise,
I'm at home above all I got it by
Let the sun on my shoulder shine!
We can run beneath this clear piece of sky,
This is, is my paradise!

Breaking the waves out on the sand
And then I still hear that band,
Oh when tomorrow comes I'm not scared,
Cause I know sunshine's gonna be there.

Ohhh!
This is my, this is my paradise!
This is my, this is my paradise!
Ohhh!
This is my, this is my paradise!
I'm at home above all I got it by,
Let the sun on my shoulder shine,

We can run beneath this clear piece of sky.
This is, is my Paradise!
