Play I some music
I hope I don't come on too strong
You can refuse it yeah
But you know you might be wrong
You could call it reggae
You could call it rock and roll
Come on, get ready
'cos there's a big ball going to roll

You'd better get up brother, up brother,
Up brother up yeah!
Don't you go too far!
you'd better come
Down brother, down brother, down yeah!
Like a shooting star.

I had a dream oh yeah, in 1973
I dreamt a spaceship, come down to deliver me
Well it was big and white
And it had come a long, long way
A black star liner yeah?
You know, I could not say
But it took me up brother, up brother
up brother, up brother, yeah
It took me far!
Then it brought me down brother, down brother
Down brother, down brother, down yeah!
Like a shooting star.

Still play my music
hope I don't come on too strong
You can refuse it lord
But you know you might be wrong
You could call it reggae
You could call this rock and roll
hey Come on, get ready
'cos there's a big ball going to roll

You'd better get up brother, up brother,
Up brother up lord
Don't you go too far!

you'd better come
Down brother, down brother, down lord
Like a shooting star.
