sunday aftanoon/ Good fourtune at the bar/ Verona
verona

When i saw you in verona/ you sat down/ I moved over/
Pretty ppl but all i saw was you/ And i remember feeling
toug tided/ As i tried to say good by/ I was ready to
fall in love with you

Now that everything's gone to plan/I am proud to be
your man. Your beauty lights up my world/This is how i
met my gurl

Chours

3)Fast Times In Tahoe

they sat that absence makes the heart grows fonder
but i doubt it. i really doubt it/ playing ping pong over
oceans. messing with emotions/ Messing with my head/
Messing with my head/ Thirteen hours ago. I'm no
longer at home/ Fast times in tahoe/ Three thousand
miles away what can i say/ Fast times times too fast 4
me

Pre chours:And i dont care wat u say to get me outta
the way/ I got to get my msg thru to u baby. baby.
baby.baby.baby

(first version again.. but higher and with feeling)
Pre Chours thingy.. aslo hiher and with more feeling)

5) Urban Getaway- elemno p

Sometimes i feel like i should not be living here/ feeling Shostakovich/ some times the things u say they really frustrate me/ Twice in as many hours/ i live within/A two kilometer. it' now a barrier/ near perfect circel/ I snapped you left with nothign to say/ I got carried away/ pleasecarry me away.

Chours: sun shining it's holidays/ Much needed. urban getaway/ I'm smiling. it's holidays/ The nature's got sumthing to say

Looks like you've heard/ And i can understand you're sad/ Please don't analyse it / I'm not the guy who took you for a ride then said / I guess your paying for it/ i live within a 2 kilometer. it's nowa barrier/ near perfect circle/ Dam sraight your strong/ but be honest you're wrong/ And i can carry on / Lets try to carry on

Chours x 2

Outro: Looks like . you've heard and i can understand you'r sad

6) The Benjamins- elemno p

Six till midnight/ have another flat white/ boss walks
thru the frount door/ Smoking out the back door/
working for the who's who/ getting sick of paying my
dues/ day dreaming missed another meeting/ I've been
drinking not thinking/ And i want more than you're
giving me/ do you know what i know

Chours: Bring on the Benjamins/ I really got to go and
you know/ The time is up gotta to fill my cup up/ bring
on the Benjamins/ It's moving way to slow and you
know/ Time is up

should have worked on Sunday/ pulled anothere sick
day / Called up on my cell phone/ Casue i wasn'tat
home/ Am i paying my dues/ Feels like i'm just getting
scrwed/ so well meaning sanity is fleeting/ I've been
thinking. not sleeping/ And i want more than your
giving me/ Do u know waht i know.

Chours

Bridge: I want big fat Mercedes Benz Jacuzzzi in the
back to fit my friends/ i want big fat Mercedes Benz
Jacuzzi in the back to fit my friends

Chours x4

7) Claim To Fame- elemno p

Hello. wont you wont you wont you go home/ pretty lady
i can take this space/ your emotiness was long
replaced/ hello. i guess you guess you guess you
should know/ that/ that i'm happier without you now /
it's over now.move over now/ undone is what you what
you what you've become/ and your new best friend
can't help you much/ your out of touch/ You ask too
much / no surprize no wonder why it's your..

Chours: Claim to fame/ your friends with whats her
name/ teenage celebrity/ you wonder/ why why why is
life so hard on me. high fashion casualty/ no wonder

Hello. wont you wont you wont you let go/ yeah it's been
a while since u graced this place/ your seflshness don't
motivate/ to me your simply simply empty/ your
surround yoursefl with wat's hot now / re you happy
now . are you happy now

Chours x2

Bridge: I;m in the middel of sumthing/ caught in the

middel of sumthing/ i'm in the middel of sumthing/
caught in the middel of sumthing/ taken back relax/
you brought it on now move along get along/ taken
back. relax / it's not that bad 2 be alone so alone .
faking

Chours: Claim to fame/ your friends with whats her
name/ teenage celebrity/ you wonder/ why why why is
life so hard on me. high fashion casualty/ no wonder

Claim to fame(your claim to fame ,your claim to fame)
your friends with whats her name/ teenage celebrity/
you wonder/ why why why is life so hard on me. high
fashion casualty/ no wonder

8) I Don't Know- elemno p
would you still love me / If we lived in the same country/
And i wouldn't feel so alone/ If u had a telephone/ for
you, to call , me on/ or go online, and know you're fine/
I really want to talk to you/ Already been to long so i
wrote you this fast pop song

Chours: Give me sumthing that i can own/ Just one more
reason to be alone/ Lost your secrets long ago/ well i
don't know . well don't know/ give me sumthing i can
own/ Just one more reason to be alone/ Lost your
secrets long ago/ well i don't know well i don't know

University. slash mediocrity to me/ Next year i don'tto
were a suit/ Though i'm sure it would suit you/ we
could. both get a job. work for . the man/ Or get a dog/
Nine to five i don't really want / On average wage all for
two weeks holiday

Chours
(give... give)

Bridge: (no singing just the band)

Chours x3
(give please give give..)

9) Hold On- Elemno p
Got your letter yesterday/ The things you didn't say
have blown me away/ Complications with the phone/
No consolation when i'm sitting on the sofa all alone

Chours: So long it was nice to meet you/ i'll prob never
see you again/ hold on. it was nice to hold you/ it was a
roller coaster to the end/ Like do dododododo/ Do
dodododododo/ Whos getting over you/ Do dodododo

Supernova gurl withnot so many problems/ if it wasn't
so crapped up/ Maybe i could help you slove them/ I
dosn't mean to impose/ And i don't want to be rude/
But lets be honest dear/ Your crapped up inthe head
baby

Choursx2ish

10) On My Balcony- Elemno p
Feeling you get when you throw it away/ Last lucky
strikeand a full ash tray/ It happend once it won't
happen again/ Serving an ace to my swift back hand /
Not strickly true is what i said to you/ Last ditch
defence has been misconstrued/ Comming correct
simply had to forget/ Flightof my skifully crafted debt

Fight for you die for you i won't let you down/ I felt you
close on the belcony/ It felt to me/ That you still
udnerstood

Chours: Some times i wish/ I had not gotten into
it/Dismissed. i had to admit/ not been keeping it so
legit/ Not been keeping it so legit/ I'm jsut not feeling it

No inspiration. no lyrics enough said/ Granted a few
may have been mislead/ Fooled by myself and i'm over
absorbed/ Can't see the end of this fresh record/ Fight
for you die for you i wont let you down/ And i felt alone.
on my belcony/ Occurrd to me/ How much you're still
with me

Chours x2

11) Every Days A Saturday- Elemno p
I got a pocket full of your kisses/ And i know that i'm
never comming back/ I've been warned but i long for
your embrace/ I kep calling save me save me/ Cup of
coffee and a packet of cigarettes / Up late cause
lectures don't start yet/Bowl of weetbix and a plateof
bacon and eggs/ Sunday morning gonna do it all again

Cours: Everydays a Saturday/ Every nites a nite like this
/ Evey time that we draw close/ Every time a perfect
miss

Called up my friendsand i'm thinking of a bbq/Mid afta
noon and theres nothing better to do/ Feeling good
and the sky seems extra blue/ I can almost see Utopia

Chours

12) Weed Out- Elemno p

She had a real cute face and / despite her lack of taste/
I thought it was time to say hello/ Yes we havemeet
be4/ In Spetember last fall/ Around a camp fire and yes
i think i like her

Chours: So i played myself out/ Sip from my 40-ounce/
don't smoke the weed out/ Took a step back/ So i
played my self out/ Sip from my 40 - ounce/ Don't
smoke the weed out/ Till the cows come home/ And i
don't know where i let myself go/ And i don't know if i'm
eva gonna let it go

First time i saw her face was/ working at my cafe and /
Simply she flew into the room/ We had not meet be4/ I
had to think of baseball/ We traded phone numbers
and / Yes i think i like her

Chours

Bridge: So i guess it's been crapped upped.4eva not
enough.my little buttercup
