I couldn't watch as you just walked away.  
Without a smile without a word to say.  
And here I thought that things were well today.  
But it doesn't even matter anyway.

Even if I cry  
You'd still be gone.  
Even if I change today forever  
Even if I lie  
You'd still be gone  
Even if I'm someone else  
You'd still be gone.

I always knew that things would end this way.  
Without a smile without a word to say.  
I'm sorry for the mistake I made that day.  
But it doesn't even matter anyway.

Even if I cry  
You'd still be gone.  
Even if I changed today forever  
Even if I lie  
You'd still be gone.  
Even if I'm someone else.  
You'd still be gone.

Even if I cry  
You'd still be gone.  
Even if I changed today forever  
Even if I lie  
You'd still be gone.  
Even if I'm someone else  
You'd still be gone.

Still be....  
Gone....
