i can't lose anything
so what's left is mine
and I win this time
consolation day
i'll make up a way
i'll know now just what to say
i'll get away from you
wait and I'll be begging
i'll pull you down
i saw it all again
fading memory became clear to me
i try but I can't say
that I'm yours for good
support me you said you would
i'll get away from you
wait and I'll be begging
i'll pull you down
awake and dreaming
I'm only sleeping
