I would tell you all the things they put me through

The pain I've been subjected to

But the lord would suffer and blush

The kindless fleas laid at me feet

Forbidden fruits for me to eat

But I feel your pulse would start to rush

Now I'm not looking for the absolution

Or forgiveness for the things I do

But before you come to any conclusions

Try walking in my shoes

Try walking in my shoes

You stumble in my footsteps

Keep the same appointments I've kept

If you try walking in my shoes

Try walking in my shoes

Morality was frowned upon

Indecency looked down upon

The scapegoat fates made of me

But I tell you now my judges juror

Intentions couldn't have been pure

My case is easy to see

I'm not looking for a clearer conscience  
Piece of pie after what I've been through  
But before we talk of any repentance  
Try walking in my shoes  
And try walking in my shoes  
You stumble in my footsteps  
Keep the same appointments I've kept  
If you try walking in my shoes  
Try walking in my shoes  
Try walking in my...  
Now I'm not looking for the absolution  
Or forgiveness for the things I do  
But before you come to any conclusions  
Try walking in my shoes  
Try walking in my shoes  
You stumble in my footsteps  
Keep the same appointments I've kept  
If you try walking in my shoes  
You stumble in my footsteps  
Keep the same appointments I've kept  
If you try walking in my shoes  
Try walking in my shoes  
Try walking in my shoes  
Try walking in my shoes
