Just maybe we could take the long way home
'Cause lately, this is what it's all about
I'm yours
Tell me that you want me
Can we say goodbye and drive away
Tonight?

There's a season for this
I hope it never ends
'Cause we learn in each other over again

If we take the time we had
Until no more remains
Then just for now we can escape

Just maybe we could take the long way home
'Cause lately, this is what it's all about
I'm yours
Tell me that you want me
Can we say goodbye and drive away
Tonight?
And I just wanna say
Here I am now, I am not afraid to drive away

Drive away with you

Just maybe we could take the long way home
'Cause lately, this is what it's all about
I'm yours
Tell me that you want me
Can we say goodbye and drive away
Tonight?

Just maybe we could take the long way home
'Cause lately, this is what it's all about
I'm yours
Tell me that you want me
Can we say goodbye and drive away
Tonight?
