Soon, it's gonna be over soon.  
Not gonna wake up lost and find ourselves confused.  
In time i guess we'll see in time.  
That clarity brings healing on the inside.

We're coming around,  
we're working it out somehow.  
I'm feeling that i cannot deny  
we're alright  
you and i  
we found the solution.

Now it seems we're finding now.  
that everything has it's own way of turning out.  
so don't let go,  
cause i'm not letting go  
sometimes it's just easier when we know.

We're coming around,  
we're working it out somehow.

I'm feeling that i cannot deny  
we're alright  
you and i  
we found the solution.

Do we know what makes us come alive  
has confusion blinded our eyes  
we've got to know what makes us come alive.  
so we shine.

We're coming around,  
we're working it out somehow.  
I'm feeling that i cannot deny  
you're alright

We're coming around,  
we're working it out somehow.  
I'm feeling that i cannot deny  
we're alright  
you and i  
we found the solution.
