Sometimes things can get crazy  
But, there's no reason to go run and hide  
I haven't heard from you lately  
The days and night-just keep on passing by

Well I guess that it's over  
But, I have no fear in letting go  
I gotta look to the future  
It's time to face the music  
And make it on my own...so.....

Chorus:  
Don't you cry for me baby...  
I'm operating on a natural high  
Don't you cry for me baby...  
The past is over now so kiss it goodbye

Don't you stand in my shadow  
Cause when you do I take it personal  
I guess it's time to let you go  
Can't sit here waiting for a miracle

I got to get a reaction  
Communication seems to be a no  
What happened to the attraction  
If I don't get an answer  
I think I better go...so....

Chorus(Ã—2)

Don't you cry for me  
Don't she'd a tear for me  
I'm gonna be alright  
Don't you cry for me  
I'm not in misery  
I can't wait.....I'm gonna have me a goodtime

Chorus

So don't your eyes-no need to cry-no time for sad  
goodbye

It's time to go-nothing to show-so baby don't you cry
