Hey you what do you say  
You found yourself alone today  
Did you lose your place in line?

Hey you what do you know,  
All messed up no place to go  
Do you feel so left behind?

You can't stay  
Sleeping on your own again  
So close your eyes abd count to ten  
The love you need is here again

Chorus:  
I'll be your ticket to the final  
Junkie to your vinyl  
I just wanna be your groupie  
You don't need Brother Blaine or Beckham  
You shoud just forget them  
Baby you're a superstar to me

So come on back look at me  
I'm the one who wants to be  
The greatest fan you'll ever find

You can't stay  
Sleeping on your own again  
So close your eyes abd count to ten  
The superstar is here again, she's here again She's  
here again

Chorus

So what if they're super famous  
Their 15 minuites are over  
And everyone knows  
The superstar is here again, she's here again you're  
here again

Chorus
