"Come Pick Me Up"

With a smile on your face

Or will you cower in fear

In your favorite sweater

With an old love letter

I wish you would

I wish you would

Come pick me up

Take me out

Fuck me up

Steal my records

Screw all my friends

They're all full of shit

With a smile on your face

And then do it again

I wish you would

When you're walking downtown

Do you wish I was there

Do you wish it was me

With the windows clear and the mannequins eyes

Do they all look like mine

You know you could

I wish you would
Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends behind my back
With a smile on your face
And then do it again
I wish you would
I wish you'd make up my bed
So I could make up my mind
Try it for sleeping instead
Maybe you'll rest sometime
I wish I could
