Everyday that I'm with you
It feels so good to be alive
everytime that you are near
I feel the happiness inside

Baby, I need your love
just like a rainbow needs the sky
Baby, I want your love
and I could never say goodbye
Baby, I need your love
just like a flower needs the rain
Baby, without your love
Well, I could never be the same

Every moment that we share
can only make a brighter day
when you tell me that you care
I know that love is on it's way

ooh Baby, I need your love
just like a rainbow needs the sky
Baby, I want your love
and I could never say goodbye
Baby, I need your love
just like a flower needs the rain
Baby, without your love
Well, I could never be the same

doo da duh duh da doowea
bop bop bod dah bah da
doo doo da duh duh da doowea

Oooh baby I need your love
Baby, I want your love
Baby, I need your love
just like a flower needs the rain
Baby, without your love
Well, I could never be the same

baby, I need your love
Baby, I want your love

Baby, I need your love
Baby, I want your love
Baby, I need your love
