He's too tough
He's too tough
Check it out

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
Ah, yeah
(He's too tough)

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
(He's too tough)

When I see those big brown eyes
It really knocks me down
I get rubber knees
When he's around

Every time he calls my name
You know I can't resist
It chills me out
Just thinking about his kiss

My, my, my
I keep on coming
One more time
Back to his arms

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between, yeah
(He's too tough)

People say he'll make me
Bite off more than I can chew
But ain't nobody's business
If I do

My, my, my
I keep on coming
One more time
Back to his arms

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
(In between)
(He's too tough)

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
(In between)

That's right, baby
I want you right in between
Not too big, not too small
Just right, just right

(Too tough)
He's too tough
(Too tough)
He's too tough

He's just too tough for me, honey
(Too tough)
He's too tough

My, my, my
I keep on coming
One more time

Back to his arms

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
(He's too tough)

He's too tough for me
He's from another scene
(He's too tough)
(He's too tough)

He's too tough for me
I want him in between
(In between)

He's too tough
He's too tough
He's too tough

He's too tough
The man is too tough
He's too tough
(He's too tough)

He's too tough
He's too tough
He's too tough
(He's too tough)

He's too tough
He's too tough
Baby, baby, baby
Baby, baby, baby
(He's too tough, he's too tough)

(So tough)
Oh, oh
(So tough)
So tough

(He's too tough)
So tough
(He's too tough)

(So tough)
Oh, yeah

(So tough)
So tough

(So tough)
Too tough
(So tough)
You're too tough

(So tough)
You're too tough
(He's too tough)
You're too tough

(He's too tough)
You're too tough
(He's too tough)
[Inaudible]
(He's too tough, he's too tough)
