1 - I've been searching for so long  
(For so long) ooh (For so long)

Repeat 1 (3x)

2 - 550 What? 550 What?  
That's my address  
That's my address

Repeat 2 (3x)

3 - I've been looking all around  
I'm known for getting down  
I've been searching for the right producers  
And you're the one I want  
I'm on some other shit  
I just don't want a hit  
I'm trying to stay around  
I can feel what you need indeed  
I'll give you all the things you need  
You'll never have to worry bout "G"  
I'm happy that I found your face  
Together we will bump the place  
All my life it's been a dream to me  
To live out my destiny  
I'm blessed with the way you're treating me  
Feeling real good cause I'm totally free

Repeat 2 (4x)

Repeat 3

Repeat 2 (4x)

[Timbaland]  
Chilling on the corner with my nig Ginuwine  
Speaking about my problems, speaking about what's  
on my mind  
Never had a true reason  
Whether I'm gonna be here or leaving  
Never had an address

My life's been nothing but an ugly mess  
Talking to a whole lot of people  
Telling me that my life was not going to be created  
equal  
But my manager R.R. he had a bunch of plans  
Ran into J.D. he engineered the plan  
Then what Michael Caplan  
Hooked us up with Polly and she signed the "G" man  
Hey back to the basics  
L. West had to live my legal statements  
She's means so much to me  
She hooked us with Ron Sweeny  
We working together as a team  
Trying to make advantage and complete our dreams  
As it seems like or not scenes finding damage  
Then we'll see situations messy like canvas  
To the left to the right  
Five minutes baby, you're alright

Repeat 1 (2x)

Repeat 2 till end
