[Intro]

What's so different? (Uh huh)

Baby (Say what?)

What's so different? (Uh huh)

Yeah (Bom, bom, bom, bom yeah)

If you cheated on him

How I know you ain't gon' do it to me?

(Can you feel this? Bom bom bom bom, yeah)

I need to tell you something

Check this out

(Uh, Ginuwine, check)

You say you love me

But at one time you loved him

So what's so different?

Tell me if you were in my shoes

What would you do or think of me?

Would you trust me?

But you feeding me all this rap about

How it's different

But it's not mentioned what you're doin' is wicked

Now I'm having second thoughts about you and me

Cuz this not how I want it or it should be

1 - You say you want my trust and

Told me you were leavin'

How am I to know that you won't do it to me?

You're tellin' me it's different

But what the hell is different

If you cheated on him you'll do it to me

You're creepin' on him for me

But you say just trust me

How am I to know that you won't do it to me?

You're tellin' me it's different

But what the hell is different

If you cheated on him you'll do it to me

(Check this out)

Like the saying goes, you reap what you sow

And what goes around comes back around  
To you five times harder  
And I'm pretty sure that he's thinkin'  
That you're totally his  
But you're here in my rimmed-up drop top wit me  
All hugged up and all over me  
Kissin' all of me  
Is that to get me where you want me to be?  
Don't want this to happen to me  
So I'll drop you off, go back to your man  
Cuz really, this ain't me

Repeat 1

Baby, uh uh uh, uh uh uh (Say what?)  
Uh uh uh (Can ya feel me?)  
Uh uh uh (Can ya feel me?)  
Uh uh uh (Can ya feel me?)  
(Can ya feel me? Can ya feel me?)  
(Can ya feel me? Can ya feel me?)

(Uh, ya see?)  
Don't tell him baby  
(You don' went too far now, baby)  
You won't do this shit to me  
(Yo G, bring the bridge in)

Baby tell me one thing  
How could yo do it?  
What did he do to you?  
Does he know he blew it?

Or is it just that  
You wanna get even  
Baby, if that's not it  
Please tell me the reason  
(Tell me, tell me)

I just don't wanna  
Get caught up in drama  
If you don't want him  
Just tell him, don't cheat on him  
(What?)

If you don't tell him  
Me and you can't be  
Cuz tell me how I'll know  
You won't do that shit to me?  
(Not to me baby)  
You would do it to me

Repeat 1 until fade
