I don't know how to love him, what to do, how to move  
him

I've been changed, yes really changed

In these past few days when I see myself, I seem like  
someone else

I don't know how to take this, I don't see why he moves  
me

He's a man, he's just a man

And I've had so many men before in very many ways,  
he's just one more

Should I bring him down, should I scream and shout

Should I speak of love, let my feelings out

I never thought I'd come to this, what's it all about

Don't you think it's rather funny that I should be in this  
position

I'm the one who's always been so calm, so cool, no  
lover's fool

Running every show, he scares me so

Should I bring him down, should I scream and shout

Should I speak of love, let my feelings out

I never thought I'd come to this, what's it all about

Yet, if he said he loved me, I'd be lost, I'd be  
frightened

I couldn't cope, just couldn't cope

I'd turn my head, I'd back away, I wouldn't want to know

He scares me so, I want him so, I love him so
