Though our love
Is like a winding road
Of uncertainty
I long trust your smile
And all the ways you feel
Touching me
Moment by moment
Our lifetime goes on
Till one day
Our somedays are gone
Look at us
Two drifters with a dream
Scared to see it though
But we're so happy now
It might be beautiful
If we do
For moment by moment
The choices we make
Depend on
The chances we take
Oh, for moment, moment by moment

Our lifetime goes on

Till one day

Our somedays are gone

For moment, moment by moment

The choices we make

Depend on

The chances we take

Ho, moment, moment by moment
