Sometimes you get so nervous  
When we're suddenly alone  
Baby, I can't really blame you

And if I can be the crack  
That tumbles everything you built  
Baby, I don't want to

Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone

Six hundred pair of dirty sunglasses  
All those looks that somebody's forgotten  
Oh, let the worst to call your insides  
Between rockstars  
Baby close your eyes

Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone

Regenerating on repeat your sweetness  
You're my secret addiction  
Oh

I'm waking and moving toward you  
I'm in love  
And I don't want to

Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone  
Go home to sleep  
In my hot little room alone

Go home to sleep  
In my hot little room alone
