Think of all the crying and the wasted time

money spent on drinking wine
tomorroe.

Johnny's gone to prison
now he's gone too far

his mother's too late with the candy jar
tomorrow.

How strong is your love ? How deep is your love ?
How strong is your love to keep me from dying

to keep me from walking away.

Where did tomorrow go ? Where did tomorrow go ?
I keep on searching high and low.
Where did tomorrow go ? Where did tomorrow go ?
I don't know
where did tomorrow go ?

I can't afford you anymore. -
Sister's in town
the car broke down

the wheel lost a spoke
now it won't got round Sin City.
I lost a day in a whisky bar
my mother's too late with my candy jar

oh
what a pity.

How strong is your love ? How deep is your love ?
How strong is your love to keep me from dying

to keep me from walking away.

Where did tomorrow go ? Where did tomorrow go ?...
Where did tomorrow go ? Where did tomorrow go ?...

I can't afford you anymore.
Where did tomorrow go ?
(I gotta tell you now
I got my future in mi pocket).
