You don't know my name,
You don't know anything about me,
I try to play nice,
I wanna be in your game,

The things that you say,
You may think I never hear about them,
But the word travels fast,
I'm telling you to your face,
I'm standing here behind your back,

You don't know how it feels,
To be out side the crowd,
You don't know what it's like,
To be left out,
And you don't know how it feels,
To be your own best friend,

On the outside looking in,

If you could read my mind,
You might see more of me,
Than meets the eye,
And you've been all wrong,
Not who you think I am,
You never given me a chance,

You don't know hot it feels,
To be outside the crowd,
You don't know what it's like,
To be left out,
And you don't know hot it feels,
To be your own best friend,

On the outside looking in,

I'm tired of staying at home,
I'm bored and all alone ooohh,
I'm sick of wasting all my time,

You don't know how it feels,

To be outside the crowd,
You don't know what it's like,
To be left out,
And you don't know how it feels,
To be your own best friend,

On the outside looking in,

You don't know how it feels,
To be outside the crowd,
You don't know what it's like,
To be left out,
And you don't know how it feels,
To be your own best friend,

On the outside looking in
