Love can be so cold  
Love can be so cold

I think it's time that  
I told you the truth  
Yeah  
Cause it's on my mind  
So let me do what I gotta do  
Yeah

'cause it's someone else  
So I can't see you no more  
I can finally see my smile again  
'cause he's the one my heart beats for

He makes me feel like  
I'm his number one  
His prize

Tell me everyday I'm his everything  
And I never got that from you  
(that from you)

So don't try to change my mind  
'cause I've had enough this time  
And you always let me down  
And now you can't turn your back around

Ain't it cold  
When the one you love lets you go  
And you got no one to hold,  
Yeah yeah  
That's the way you make me feel

Boy, it's cold  
On the other side, yes I know  
Now it's time to let you go,  
Yeah yeah  
Love can be so cold

The tables turned

and nothing stays the same,  
Yeah  
How we used to do  
You know we don't do it that way

It's been so long  
There's not much more to say  
The memory of you and me is gone  
Today is a brand new day

Ain't it cold  
When the one you love lets you go  
And you got no one to hold,  
Yeah yeah  
That's the way you make me feel

Boy, it's cold  
On the other side, yes I know  
Now it's time to let you go,  
Yeah yeah  
Love can be so cold

You should know  
That I forgive you  
Boy I hope that  
You can move on

'cause you said you'll  
Be fine without me  
But love gets tricky  
When you're all alone

Ain't it cold  
When the one you love lets you go  
And you got no one to hold,  
Yeah yeah  
That's the way you make me feel

Boy, it's cold  
On the other side, yes I know  
Now it's time to let you go,  
Yeah yeah  
Love can be so cold

Ain't it cold  
When the one you love lets you go  
And you got no one to hold,  
Yeah yeah  
That's the way you make me feel

Boy, it's cold

On the other side, yes I know  
Now it's time to let you go,  
Yeah yeah  
Love can be so cold

Ain't it cold  
When the one you love lets you go  
And you got no one to hold,  
Yeah yeah  
That's the way you make me feel

Boy, it's cold  
On the other side, yes I know  
Now it's time to let you go,  
Yeah yeah  
Love can be so cold

Love can be so cold  
Ooh, whoa  
Love can be so cold  
Ooh, whoa  
Love can be so cold  
Yeah yeah
