I got that zan with that lean, MY bitch named Irene
I'm sippin on Moscato, man she all up on my stick
Leaning like kickstand, double cup in my hand

Racks in my pockets, that bitch in my pants

Yea nigga I'm on it, yea nigga I'm on it

2 cups, one drink, long nights, can't think
Money long, blunts rolled, bad bitch, pink drank
Yea nigga I'm on, yea nigga im faded

Money counts so long, niggas steady hating
Range Rover im dippen, seraphin im sippen

Big Red on my side, he got the money in the kitchen
Money steady booming, god damn I'm cooling
Bitch nigga who you fooling?

All I care about is money and the city that I'm from

I'mma sip until I feel it, I'mma fuck her til I'm done

I don't realyy give a fuck and my excuse is that I'm
young
And I'm only getting older, somebody should've told ya
