[Hook: Skylar Grey]

I'm coming home  
I'm coming home  
Tell the world I'm coming home  
Let the rain wash away,  
All the pain of yesterday  
I know my kingdom awaits  
And they've forgiven my mistakes  
I'm coming home  
I'm coming home  
Tell the world I'm coming

[Intro: Diddy]

I'm back where I belong (yeah)  
I never felt so strong (I'm back baby)  
I feel like there's nothing I can't try  
And if you feel me put your hands high (put your hands high)  
If you ever lost a light before, this one's for you  
And you, the dreams are for you

[Verse 1:]

I hear "The Tears of a Clown"  
I hate that song  
I always feel like they're talking to me, when it comes on  
Another day, another dawn  
Another Keisha, nice to meet ya  
Get the math, I'm gone  
What am I supposed to do when the club lights come on?  
It's easy to be Puff but it's harder to be Sean  
What if my twins ask why I ain't marry their mom (why? damn!)  
What if my son stares with a face like my own  
And says he wants to be like me when he's grown?  
Sh\*t! But I ain't finished growing  
Another night, the inevitable prolongs  
Another day, another dawn  
Tell Keisha and Teresa I'll be better in the morn'  
Another lie that I carry on

I need to get back to the place where I belong

[Hook: Dirty Money]

I'm coming home

I'm coming home

Tell the world I'm coming home

Let the rain wash away, all the pain of yesterday

I know my kingdom awaits and they've forgiven my mistakes

I'm coming home

I'm coming home

Tell the world I'm coming

[Verse 2:]

"A house is Not a Home," I hate this song

Is a house really a home when your loved ones is gone?

And n\*ggas got the nerve to blame you for it

And you know you would have took the bullet if you saw it

But you felt it and still feel it

And money can't make up for it or conceal it

But you deal with it and you keep ballin'

Pour out some liquor, play ball and we keep ballin'

Baby, we've been living a sin cause we've been really in love

But when we've been living as friends

So you've been a guest in your own home

It's time to make your house your home

Pick up your phone, come on

[Hook: Dirty Money]

I'm coming home

I'm coming home

Tell the world I'm coming home

Let the rain wash away, all the pain of yesterday

I know my kingdom awaits and they've forgiven my mistakes

I'm coming home

I'm coming home

Tell the world I'm coming

[Verse 3:]

"Ain't No Stopping Us Now," I love that song

Whenever it comes on, it makes me strong

I thought I told y'all that we won't stop

Til we back cruising through Harlem, Viso blocks

It's what made me, saved me, drove me crazy

Drove me away then embraced me

Forgave me for all of my shortcomings

Welcome to my homecoming

Yeah, it's been a long time coming  
Lot of fights, lot of scars, lot of bottles  
Lot of cars, lot of ups, lot of downs  
Made it back, lost my dog (I miss you BIG)  
And here I stand, a better man (a better man) (don't  
stop)  
Thank you Lord (thank you Lord)

[Hook: Dirty Money]

I'm coming home  
I'm coming home  
Tell the world I'm coming home  
Let the rain wash away, all the pain of yesterday  
I know my kingdom awaits and they've forgiven my  
mistakes  
I'm coming home  
I'm coming home  
Tell the world I'm coming
