I don't even know about a damn redemption
Cause I still hear something whispering
Trying to tell something about you
Don't know how to tell him I'm through
Gave you my sanity you gave me a chance to live
You telling me I won't leave ya I don't believe ya
Cause I don't need nobody like you

Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you

Turn my eyes weak to the sky
I smoke my reefer getting high,
You know without you I'm a die
You clip my wings now I can't fly
My mama told never cry
She never told me to say bye
I cannot let you go I tried
I hate you girl you know I lie
I hate you girl you know I lie

Boy you're gonna have to use your senses
Just to figure out the distance, (?)
How you wanna love me you choose
Except for why you're looking confused
I gave you my sanity I gave you a chance to live
Telling me I don't need ya I don't believe ya
Cause I don't need nobody like you

Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you
Don't go don't go don't want you I hate you

You's a motherf*cking b*tch to me
You just let me bleed
You just let me leave
Now I cannot see
Cause when I cry I cry tears of blood

You the one I love
You the one I love
You the one I trust
And you said you can't f*ck with me
I can't f*ck with you
We can't f*ck with we
And we cannot see
I hate you girl you know I lie
I hate you girl you know I lie

Baby I can't stand
Can't stand you baby please don't go
I rather hate you then see you out the door
Baby ain't no love like this, no no
If that's what I'm telling you
I hate loving you
I don't wanna don't wanna be without you
Why not tell the truth I hate loving you
I don't wanna don't wanna be without you
I let you control my heart
Baby don't you go too far

Don't want you I hate you
Don't go don't go don't go I hate you
