[Rick Ross:]

Hello good morning tell me what the lip read;
Pretty face, thin waist with the sick weave
First time fish tailing in the 6 speed
Real bad boy tell em come and get me
I'm at the fight, been kinda like Bellmen
Only took the trip to the truck twice
Unpacked the Mac 11 and air max's
Stuff six figures in my damn air mattress
Uh, I'm in love with large bills
A dime with a fat ass, thin waist and tall heels
Yeah, it's the Teflon Don
Hundred carrots in the charm tryna give it back to Sean

[Diddy]

Hello, good morning
Let's go, let's ride
Hello, good morning
Hello, good morning
Know you've been waiting for it
Cause I seen you watching
So let's go
Let's get it popping

[Dirty Money]

Cause I've been leaning on the bar
Looking cleaner than the star
All these broads won't give me my props
25 on the bank I be stunting on their ass
And they mad cause the b*tch won't stop

[Chorus: Diddy (Dirty Money)]

Got your boyfriend feeling like a groupie...
(You know, you know, we know, we on that)
Still life but it's lookin' like a movie...
(You know, you know, we know, we on that)
And ev'rybody know who the truth be....
(You know, you know, we know, we on that)
I blow 'cause I'm blowin' on that OOH-WHEE!!
(You know, you know, we know, we on that)
Hello

[T.I.]

Hello, good morning, how you doin? We're at the movie
Of "Welcome to the Future," I'm the Capt'n of the Cool
Kids

The revolution's never been televised
Great booty, better thighs, I ain't wanna tell her bye
First I tell her hi, then I give her one and let her fly
Never tell a lie, tonight you couldn't find a better guy
King sh*t, flyer than anyone you get seen with
Gangsta distinguished, cool as a penguin
Got a team of 'em on the field, finna bring wit
G5 waitin', fly away at my convenience
You seen T.I.P., checkin' in a 5-star suite
With some 5-star freaks, gettin' high all week (Let's
go!)

Catch me in the V, I was up all night when y'all sleep
In a fast car, superbroad, back seat
That's me, see I'm nothin' nice, f*ck a couple nights
With the moon say goodbye and the sun greetin' us
like...

[Diddy]

Hello, good morning
Let's go, let's ride
Hello, good morning
Hello, good evening
You blow, you feindin'
Cause you know that you're really needed
And I'm the one that you wanna be with
But right now baby you dreaming
Wake up and turn the lights off

[Dirty Money]

Cause I've been leaning on the bar
Looking cleaner than the star
All these broads won't give me my props
25 on the bank I be stunting on their ass
And they mad cause the b*tch won't stop

[Chorus]

Got your boyfriend feeling like a groupie...
(You know, you know, we know, we on that)
Still life but it's lookin' like a movie...
(You know, you know, we know, we on that)
And ev'rybody know who the truth be....
(You know, you know, we know, we on that)
I blow 'cause I'm blowin' on that OOH-WHEE!!
(You know, you know, we know, we on that)

[Diddy: Rap]
Uh, how fly is he?
Yo' baby mamma Cry for Me like Jodeci (let's go)
So how you not notice me?
Pull up to the club in the coldest V
Ugh... literally cold
Little did he know how that n*gga Diddy flow
How that n*gga Diddy go
So hard like a crowbar, still gettin' dough
Whoa whoa, whoa... Hahaha (Turn the bass up!)
