Ayo wiz!  
You already know!

[Hook]  
Don't you ever leave  
Don't you ever go away  
I love you, I love you  
Yea, I'm begging you, don't you leave  
(Why you wanna go and leave, babe)  
I'm begging you, don't you go  
You've got my heart, you've got my heart, you've got  
my heart  
(Check this out)  
I know I f\*cked up, I know I f\*cked up  
I know I f\*cked up yeah  
(I'm sorry baby)  
Baby I need you, baby I need you, yeah  
I need you baby yeah

[Verse 1: Diddy]  
But now you're gone  
And I'm forced to deal with your absence  
All alone in this madness  
All alone on my mattress  
Don't know how the hell did this happen  
You knew loving me was a hazard  
Outcome of my actions  
I wish we could go backwards  
Go back a couple of chapters  
Back when there was laughter  
Back when we first met  
Before we came such a disaster  
Before your heart got shattered  
Before I forgot how much you mattered  
Crazy we don't realize what we have until after  
We no longer have it! Aha

[Hook]  
Don't you ever leave!  
Don't you ever go away!  
I love you, I love you!

Yea, I'm begging you, don't you leave,  
Yea, I'm begging you, don't you go!  
You've got my heart, you've got my heart!  
You've got my heart

[Verse 2: Wiz Khalifa]

You say you're out the door  
You're out the door  
You sick and tired can't take no more  
Can't take no more!  
You know the game  
And tried to play it time and time before  
Told me you don't got time to waste  
So hey, you got to go, you got to go!  
Can't help of think of you when I'm alone  
Tried and failed, I call your cell, you don't pick up your  
phone  
Guess that really mean you meant just what you said  
You said just what you meant  
Getting all this bread but it don't mean sh\*t  
F\*ck the dough I get, plus the dough I spend!  
Darling just...

[Hook]

Don't you ever leave!  
Don't you ever go away!  
I love you, I love you!  
Yea, I'm begging you, don't you leave,  
Yea, I'm begging you, don't you go!  
You've got my heart, you've got my heart!  
You've got my heart

[Verse 3: Chris Brown]

Hey superstar  
There's a raincloud above my heart  
And it's only because of you  
I knew it from the very start  
But I'm not a complainer  
(No, no!)  
And that's the least of my problems today but  
You can have my heart I'll give it away babe  
And I'mma honor and cherish our play time  
Baby...  
Don't you leave me girl

[Hook]

Don't you ever leave!  
Don't you ever go away!  
I love you, I love you!  
Yea, I'm begging you, don't you leave,  
Yea, I'm begging you, don't you go!

You've got my heart, you've got my heart!  
You've got my heart!  
I know I f\*cked up, I know I f\*cked up  
I know I f\*cked up  
I'm sorry baby!  
Baby I need you, baby I need you, yeah!  
Baby I need you!  
Aww no, no you do  
Aww no, no you do  
Yeah  
I love you!
