[Intro: Dirty Money]

So hard to breathe this air that we call love
Ain't nothing worse than the hurt we receive from love
When you get hurt by the one you living for
Pain can make you wanna love no more

[Hook: Diddy]

Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself

[Verse 1: Diddy]

Hurt with the heart that's bleeding slowly
So many lonely sleepless nights
I'm going through hell to convince you love me
But never her approval no matter how I try
The way you talk to me but still I say I love you
I'm ashamed you can see it in my eyes
Momma always told me to respect the woman
But what am I to do when her parents do not try

[Bridge: Dirty Money]

So many tears I cried
But all for nothing I'm afraid to say
Oooooohhh

[Hook: Diddy]

Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself

[Verse 2: Diddy]

I've been so dependent on your love for so long
Punishment for me is trying to let go
Give it from your heart is what you taught me

Addiction to pain is what it got me
My life, now it's changed
My life ain't the same as you are
Heartbroken, to the point sometimes wanna end it
If I can't have what mean most to me

[Bridge: Dirty Money]
So many tears I cried
But all for nothing I'm afraid to say

[Hook: Diddy]
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself

[Verse 3: Drake]
Uh, trying not to over think
Only cause I've drove and I done had a lot to drink
When I wanted it blue you said we got to paint it pink
And there's pieces of ya hair still sittin' in my sink
And you still got underwear that's sittin' in the dryer
How come every time that you're suspicious I'm a liar?
You stand out, I can hear you whistle in a choir
And that's the only reason you the Mrs. I admire
Damn, tell me what I'm gon' do
Since everything I'm trying to forget is all true
Me and all your main girls get along too
I would take my last dollar out and bet it on you
But uhhhhh, you see the same one I'm missing
Is basically the reason I became something different
And just that I remember me before
And if you could do the same baby then we'll be for
sure

[Dirty Money:]
So selfishly, you can only show feelings
When you feel you're in jeopardy,
Time has changed and I'm no longer willing,
Do you see how my heart is bleeding?

[Hook: Diddy]
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself
Loving you no more
I just I can't I just can't be loving you no more
I love you more than I love myself
