"Four Fingered Fisherman"

Visit "[Four Fingered Fisherman](#)" on MotoLyrics.com

You're in the back seat and you say to yourself
"It doesn't matter anyway"
Weeds pulling weeds and you're blaming yourself
We're all indifferent in our own ways
You're in trouble now and you say to yourself
"My baby clean conscience anyways"
You're in the back seat and you say to yourself
"It doesn't matter anyway"

Four fingered fisherman alright
Four fingered fisherman so uptight, hello
You're getting on no one, you're both right
Four fingered fisherman alright

Four fingered fisherman alright
Four fingered fisherman so uptight though
So uptight though
