Touch you right now [x2]

All the times she pushed me aside
What should I do, hard to decide
Without her, I can't survive
I can't survive

She not give no lovin'
For the one batty batty
She's a booty booty whine
A real hottie hottie
With (?) round round batty

Sexy girl you like the dance,

She not give no lovin'
For the one batty batty
She's a booty booty whine
A real hottie hottie
With (?) round round batty

Sexy girl
