Burning down to the ground
Burning life slips away from me

Stuck in this paradox and I cannot get out
This burning bridge is burning down

Burning down to the ground
Burning, Burning down to the ground
Burning life slips away from me

Now I feel the flames are burning
All the parasites thriving within me
So I surrender now
'cause this depression's burnt me out

Stuck in this paradox and I cannot get out
This bridge is burning down
Stuck in this paradox and I cannot get out
This burning bridge is burning down
Life : when you're stuck inside
Can you somewhat bring you down
So in this liquor i will drown

Trapped inside a prison burning down
Trapped inside a prison burning down
Trapped inside a prison
Trapped inside a prison burning down
Trapped inside a prison
Trapped inside a prison burning down
Trapped inside a prison

Burning down to the ground
Burning, Burning down to the ground
Burning life slips away from me

Now I feel that life is cutting
All the negative shit that's within me
So I surrender now
'cause this depression's burnt me out

Stuck in this paradox and I cannot get out
This bridge is burning down

Stuck in this paradox and I cannot get out
This burning bridge is burning down
Life : when you're stuck inside
Can you somewhat bring you down
So in this liquor i will drown

Burning down to the ground
Burning life slips away from me

Trapped inside a prison burning down
