

Sunk Loto "Erased"

Visit "[Erased](#)" on MotoLyrics.com

Drowning, feels like I'm drowning in the piss of the world
Suffocated, we suffocating in the mess we've made
Drowning now

Fly up so high then you fall
Crashing, burning down
Thoughtlessly and selfishly

Experimenting dangerously
The human race erased itself into a void
Thoughtlessly and selfishly
The human race erased itself into a void

Choking, feels like I'm choking on the shit of the world
Suffocated, we're suffocating in the mess we've made
Choking now

Fly up so high then you fall
Crashing, burning, we will drown
In this mess we've made now

We will drown in this mess we've made
I can swim now
