I've got nothing left
It's plain to see
You wanted me for the best in every way
Scattered mind
Harder times
It doesn't matter now cos I resigned
Will I resign?
And I blame it all on you

Now we're falling down
Now we're falling down

You got an ill communication
And it's bothering me
And you didn't stop complainin' 'til you felt defeat
Cos I got no time, can you hold the line
If this goes any longer
Then I'm going to die
Well, I will die
And I blame it all on you

And now we're falling down

Nothing's left for you
