So shut up!
You can't see inside of me
Feedin' the public lies & bullshit
Tryin' to break me, you'll never break me
I never wanted any of this
Interrogate me just like criminal that's being held in
custody
And try to break me open like an eggshell
motherfucker
But I saw you miles away
You'll never see inside
Don't look inside of me, You'll never see inside of me
Cos anyone outside of me will never understand
Cut your throat, spill your blood, media sensation
You can't see inside me, you can't take it
Cut your throat, spill your blood, media sensation
So don't look inside of me
Cut your throat, spill your blood, media sensation
You can't see inside me
Feedin' the public lies & bullshit
Tryin' to break me, you'll never break me
Don't inside of me cos you'll never see inside me
You can't see inside me, won't see inside of me
So shut up!
You can't see inside of me
