Everything around me is a negative surrounding  
Inside I'm drowning, away from the land  
Everybody's speaking but I'm not receiving  
the message you're portraying  
Into my head

I put the razor to my life  
Hoping I can see the light  
My heart beats inside (killing me)

See my hands  
Shake and twist  
Have a fit  
The ocean of tranquility  
Flowing like a sinner's dream  
I throw myself into the stream  
It's all in my head  
Take a piece of me tonight  
Would anybody realise  
How empty i would feel inside  
I feel sick
