Put it down for another vinegar stroke yeah
Another two way line
You try to stab me in the back y' know but
I just spit in your eye
Your mother tries to read me the lies, ya'll
But I don't understand
Yeah, you had to make her cry
You're Gone

Yeah, ohh
I'm cold to myself

It hit the floor this time it hit the floor this time, taken it
too far this time, it hit the floor
Taken it too far this time, it hit the floor this time, taken

You try to tell me how much that ya missed her
You try to tell me you're wasting your...
One, Two, Three I wanna be just like you
I wish I could
I wish I could
