"So Cold"

Visit "[So Cold](#)" on MotoLyrics.com

Love can be so cold
Love can be so cold

I think it's time that
I told you the truth
Yeah
Cause it's on my mind
So let me do what I gotta do
Yeah

'cause it's someone else
So I can't see you no more
I can finally see my smile again
'cause he's the one my heart beats for

He makes me feel like
I'm his number one
His prize

Tell me everyday I'm his everything
And I never got that from you
(that from you)

So don't try to change my mind
'cause I've had enough this time
And you always let me down
And now you can't turn your back around

Ain't it cold
When the one you love lets you go
And you got no one to hold,
Yeah yeah
That's the way you make me feel

Boy, it's cold
On the other side, yes I know
Now it's time to let you go,
Yeah yeah
Love can be so cold

The tables turned

and nothing stays the same,
Yeah
How we used to do
You know we don't do it that way

It's been so long
There's not much more to say
The memory of you and me is gone
Today is a brand new day

Ain't it cold
When the one you love lets you go
And you got no one to hold,
Yeah yeah
That's the way you make me feel

Boy, it's cold
On the other side, yes I know
Now it's time to let you go,
Yeah yeah
Love can be so cold

You should know
That I forgive you
Boy I hope that
You can move on

'cause you said you'll
Be fine without me
But love gets tricky
When you're all alone

Ain't it cold
When the one you love lets you go
And you got no one to hold,
Yeah yeah
That's the way you make me feel

Boy, it's cold
On the other side, yes I know
Now it's time to let you go,
Yeah yeah
Love can be so cold

Ain't it cold
When the one you love lets you go
And you got no one to hold,
Yeah yeah
That's the way you make me feel

Boy, it's cold

On the other side, yes I know
Now it's time to let you go,
Yeah yeah
Love can be so cold

Ain't it cold
When the one you love lets you go
And you got no one to hold,
Yeah yeah
That's the way you make me feel

Boy, it's cold
On the other side, yes I know
Now it's time to let you go,
Yeah yeah
Love can be so cold

Love can be so cold
Ooh, whoa
Love can be so cold
Ooh, whoa
Love can be so cold
Yeah yeah
