I'm looking for some girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls
Looking for some girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls
Gone wild

Girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls
Looking for some girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls
Gone wild

Girls gone wild

I'm looking for some girls, looking, looking for some girls
I'm looking for some girls, looking, looking for some girls
I'm looking for some girls, looking, looking for some girls
I'm looking for some girls, for some girls gone wild

Looking for some girls, looking, looking for some girls
I'm looking for some girls, looking, looking for some girls
I'm looking for some girls, looking, looking for some girls
I'm looking for some girls, for some girls gone wild

Hey yo we're searchin' for some little booties bubble
burstin', curvin'
Out them jeans with somethin' fun to flirtin', turnin'
I has to sign 'em cuties calling for a pen
Girls that will not leave the club 'til something's hurtin'
Girl can, hop and strip over drink that you're stirrin'
Lurkin' on some models but I think I'm slurrin'
Workin', after later on some things securin'
Invertin', vodka bottles until we are slurpin'

Girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls

Looking for some girls, girls girls, some girls
I'm looking for some girls, girls girls, some girls
Gone wild

What up b*tch, I shake it if I want to
What up b*tch, hey what you lookin' at
What up b*tch, I shake it cause I can
I got them jaws droppin' cause they lookin' at my ass
