She's here in the morning

loving me

Yeah she's a kind of friend to me

She says she love me early in the morning

Just for me

Oh yeah you know she loves me

Oh naturally

She's there to love me both day and night

No groans or fusses treats me right

Never running in the street

Loving me alone

She knows a woman's place is around home at night

Well, she's my baby

And I'm her loving man
