Can't compete with history  
Well that's the way it seems  
When it comes to you and me  
Well I've been here before  
And I see that open door  
But I just can't get up and leave  
It's not right and i believe

It could get dangerous tonight  
If I don't stay between the lines  
I want what's on the other side  
And I can see it in your eyes  
It could get dangerous tonight

Let's finish off this wine  
And I'll just take my time  
Try to figure out what's mine  
Swimming in open water  
Tell me would you tell her  
Because I don't wanna live a lie  
Cheatings wrong but love is blind

It could get dangerous tonight  
If I don't stay between the lines  
I want what's on the other side  
And i can see it in your eyes  
It could get dangerous tonight

Shallow waters running deep  
And it's so cold that I can't sleep  
And it's dark so I don't see  
But my conscience is telling me

It could get dangerous tonight  
It could get dangerous tonight

It could get dangerous tonight  
If I don't stay between the lines  
I want what's on the other side  
And I can see it in your eyes

Dangerous tonight

Dangerous tonight
