Brings a rose
Slaps your face
Says your pain
Is a state of grace
Mirror cracks
Image bleeds
He'll touch your desires
But not your needs
I stand at an open window
I see everything there is to see
I-I-I I been watchin' you
Isn't it true the fool keeps takin' you down, down
Takin' you
I-I-I I been watchin' you
Isn't it true the world keeps takin' you down, down
Takin' you
Party ends
On the floor
Hear a voice
Behind the door
In the dark
You play his game
Forget yourself
Forget your name
I stand at an open window
I see everything there is to see
I-I-I I been watchin' you
Isn't it true the fool keeps takin' you down, down
Takin' you
I-I-I I been watchin' you
Isn't it true the world keeps takin' you down, down
Takin' you
So there you are
All dressed in black
Walk away
And don't look back
And if you must then
Cast a stone
The light is on
but again you know that no one's home, 'cuz
I been watchin' you

Isn't it true the fool keeps takin' you down, down
Takin' you
I-I-I I been watchin' you
Isn't it true the world keeps takin' you down, down
Takin' you
I said I (I-I-I) I been watchin' you
Isn't it true the fool keeps takin' you down, down
Takin' you
I-I-I I been watchin' you
Isn't it true the world keeps takin' you down, down
Takin' you down
