Everybody's been in my face  
Tellin' me I gotta make a change  
All I ever hear day and night is "You better hurry up and  
get a life"  
I need some direction-'cause the clock is tickin' away

Then a friend of a friend of mine  
Says I've really been on his mind  
And wants to go out and check out what the feelin's  
about  
Says we have a deep connection-well it sure is news to  
me  
And all I can say is

Intuition tells me how to live my day  
Intuition tells me when to walk away  
Could have turned left  
Could have turned right  
But I ended up here  
Bang in the middle of real life

Then another one always says-she'd do anything to get  
ahead  
She doesn't care if she has to scratch and claw to get  
in the door  
She wants her 15 minutes of fame and 20 would be  
nice  
But I guess it's her life

'Cause intuition tells me that I'm doin' fine  
Intuition tells me when to draw the line  
Could have turned left  
Could have turned right  
But I ended up here  
Bang in the middle of real life  
should have turned left  
But I turned right  
And I ended up here  
And I fell alright

You make it hard for me

Can't find the real you  
You really think that I can't see  
What it is that you're trying to do
