Timati, DJ MEG, it's going down, straight like that

Alright, jyeah

All I wanna do is, drink, get drunk
Party hard, get crunk
Stupid dumb go crazy
Then make up with all the ladies
I'm an animal, woof, woof
A party animal, woof, woof

I'm busy drunk
Girl you know what I want
And you don't have to ask me cause I'm so f*cked up
Put more inside my cup,
I can feel it in my veins
And keep your piece of mind, I just want your brains

Now go insane
I'm higher than a plane
And everything is blurry
I cannot see a thing

Move b*tch, get out my way
And it's my party, do what the f*ck I say

All I wanna do is, drink, get drunk
Party hard, get crunk
Stupid dumb go crazy
Then make up with all the ladies
I'm an animal, woof, woof
A party animal, woof, woof

High five, I'm turned on by the lights
It makes me feel like I, flyin' through the sky
Who got the glow sticks, I'm feelin' on her tits
And I think that she likes it cause she grindin' on my...

Oh sh*t, where did I drop my whip
Tell me where is my waitress

Bartender to my VIP, sexy sexy girl strip
I might give you a chip
Loop both way before crossing
Or you just might hit

All I wanna do is, drink, get drunk
Party hard, get crunk
Stupid dumb go crazy
Then make up with all the ladies
I'm an animal, woof, woof
A party animal, woof, woof
[repeat]

All I wanna do is drink, drink, drink
Get drunk, drunk, drunk
Party, party, party, party
I'm an animal, woof, woof
A party animal, woof woof
